## DEPTH MARKERS & STEP TILES

Tile Specialties, Inc. manufactures specialty ceramic tile products for the swimming pool industry. Products include a complete line of depth markers, skid resistant step tiles, skid resistant racing lane tiles, fundraiser tiles, logo tiles, and signature tiles. Custom tiles available. Products are screen printed and kiln fired at high temperatures to ensure permanence. All products are designed to resist fading from UV radiation and harsh pool chemicals. Contact Tile Specialties at (800) 404-5254 or [www.tilespecialties.com](http://www.tilespecialties.com).
